Responsibilities and Functions

Meetings:

The College Council shall convene at least four meetings annually to:

- Formulate strategies for effective implementation of the curriculum and training programs;
- Ensure enforcement of academic discipline; and
- Deliberate on other academic and institutional matters.

Interdepartmental Activities:

The Council shall organize regular interdepartmental meetings, including but not limited to:

- Grand rounds;
- Statistical review meetings;
- Clinical meetings;

Improvement of Institutional Functions:

The Council shall periodically evaluate and enhance academic, healthcare, research, and co-curricular activities to ensure continuous institutional improvement.

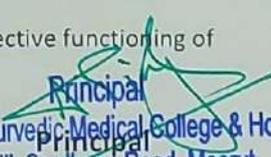

Vision Document:

The Council shall develop a comprehensive Vision Document for the institution and regularly monitor its implementation.

Academic Audits and Reports:

The Council shall review academic audit reports and submit the required reports to NCISM in the prescribed format and within the stipulated time frame.

The institution is committed to adhering to MESAR 2024 standards to ensure the smooth and effective functioning of academic and administrative activities at Mahaveer Ayurvedic Medical College and Hospital.
