MAHAVEER

AYURVEDIC MEDICAL COLLEGE & HOSPITAL

Academic Council Progress Report

This report outlines the academic progress and activities undertaken by the Academic Council of the Mahaveer Ayurvedic Medical College in the academic year 2024-2025. The focus has been on curriculum development, faculty development, student performance, research activities, and infrastructural enhancements.

Curriculum Development:

Revision of Curriculum as per NCISM revised syllabus: The Mahaveer Ayurvedic Medical College has successfully revised the curriculum for the undergraduate (BAMS) programs to align with contemporary academic standards, while preserving traditional Ayurvedic knowledge. This revision includes:

Incorporation of research-based modules.

Enhanced practical training in the use of modern diagnostic tools within an Ayurvedic context.

Elective Subjects: Discussion on utility of Electives.

Faculty Development:

Research Promotion: Faculty members have been encouraged to publish research papers in reputed journals.

As of now, many faculty members have published papers.

Student Performance:

Co-Curricular Activities: Students have been actively participating in various Ayurvedic seminars, webinars, and national conferences. They have also contributed to organizing health camps and workshops.

Internship and Practical Training: The practical training component has been expanded, with students spending more time in Ayurvedic hospitals and clinics, gaining hands-on experience in both traditional and modern practices.

Research and Development:

Publications: Several research papers have been published in peer-reviewed journals, with students and faculty contributing to studies on the efficacy of Ayurvedic treatments for chronic diseases, mental health, and preventive care.

Community Engagement:

Health Camps: The college organized health camps in local communities, providing free Ayurvedic consultations and treatments to the public. Students actively participated, gaining real-world experience in patient care.

Awareness Campaigns: The college launched an awareness campaign on Medical Days on the benefits of Ayurveda in modern healthcare, focusing on preventive measures and lifestyle management.

Conclusion:

The Academic Council of the Ayurvedic Medical College is pleased with the progress made in the 2024-2025 academic year. With continued focus on curriculum enhancement, research, and community outreach, the college aims to remain at the forefront of Ayurvedic education while ensuring the highest standards of academic excellence and patient care.
