MAHAVEER

AYURVEDIC MEDICAL COLLEGE & HOSPITAL

RESEARCH INNOVATION & ENTREPRENEURSHIP COMMITTEE

MINUTES OF MEETING

Date: 12 September, 2025

Venue: Principal Room, Mahaveer Ayurvedic Medical College

Chairperson: Dr Anupam Singh (Principal and HOD, Deptt of Swasthavritta.)

Coordinator: Dr Rajeev Shrivastav (Professor, Department of Samhita and Sidhhanta) and Dr Bharti (Professor, Department of Kayachikitsa)

Agenda :

1. To discuss initiatives for encouraging research activities among BAMS students.
2. To deliberate on recent advancements in the field of Ayurveda research and their inclusion in student activities.
3. To plan the mechanism for inviting and screening student research ideas prior to the SPARK program by CCRAS.

Proceedings :

1. Encouragement of Research Culture

- o The Committee emphasized the need to foster a strong research culture among BAMS students.
- o Members agreed to organize orientation sessions highlighting the scope of research in Ayurveda.
- o It was resolved that faculty mentors from each department will guide students in identifying researchable areas relevant to Ayurveda.

2. Discussion on Recent Advancements in Research

- o The Committee reviewed recent developments in Ayurveda research, including integrative approaches, clinical validation studies, and use of modern scientific tools for Ayurvedic concepts.
- o It was decided to conduct interactive lectures/seminars to update students about these advancements.

3. Call for Research Ideas (Prior to SPARK Program)

- o The Committee resolved to issue a formal notice to all batches of BAMS students, inviting innovative research ideas in the field of Ayurveda.

Principal
Mahaveer Ayurvedic Medical College & Hospital
Pohalli, Sardhana Road, Meerut

- o Each batch shall submit their research proposals/ideas within the stipulated time frame.
- o The submitted ideas will be reviewed and shortlisted by the Committee on the basis of originality, feasibility, and relevance.
- o Selected students will be nominated to represent the institution in the upcoming SPARK Program organized by CCRAS.

Resolutions Passed :

1. Research awareness sessions will be organized for students.
2. A notice will be circulated to all BAMS batches calling for submission of new research ideas before the SPARK program.
3. A selection panel (comprising faculty members and Committee representatives) will be constituted to evaluate student submissions.
4. Shortlisted students will be mentored and nominated for participation in the SPARK program of CCRAS.

Meeting Concluded with Vote of Thanks by the Chairperson, Dr. Anupam Singh.

Members present:

- Dr Anupam Singh (Chairperson and Professor)
 Dr Rajeev Shrivastav (Co-ordinator and Professor)

Minutes of Meeting

Research Innovation Cell

Date: [23/06/2025]

Venue: [Principal office]

Agenda Item: Reappointment of Members in Research Innovation Cell Committee

Resolution:

The reappointment of the following members for the next tenure was unanimously approved...

1. Dr Anupam Singh (Chairperson & Professor)
2. Dr Rajeev Shrivastava (Co-ordinator & Professor)
3. Dr Bharti (Co-ordinator & Professor)
4. Dr Yakshi (Member & Lecturer)
5. Dr Anita Chaudhary (Member & Lecturer)
6. Ms Doli Pundir (Member & Lecturer/Statistician)
7. Harsh (Member, Student Batch 2021-22)
8. Divyansh (Member, Student Batch 2021-22)
9. Chhavi (Member, Student Batch 2021-22)
10. Vedika (Member, Student Batch (2022-23)
11. Manish (Member, Student Batch 2022-23)
12. Umang Rani (Member, Student Batch 2024-25)
13. Uday (Member, Student Batch 2023-24)
14. Juverya (Member, Student Batch 2023-24)

1. Reappointment of Committee Members

The existing members of the Research Innovation Cell were discussed.

It was resolved that the members will be reappointed for the next academic session/year to ensure continuity of activities and effective implementation of research initiatives.

Any changes or additions in the committee (if required) will be notified separately.

All faculty members are requested to motivate and guide students to participate in **National/International Conferences, Workshops, and Seminars.**

Faculty should encourage students to present research papers, posters, and innovative project ideas in such platforms.

Participation in conferences will be considered an integral part of the student's research and innovation exposure.

3. Action Points

Faculty members to circulate information about upcoming conferences to students in advance.

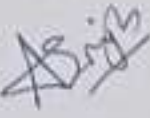

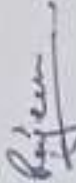

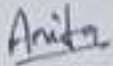

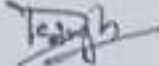

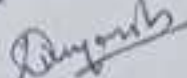

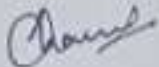

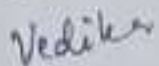

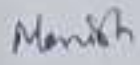

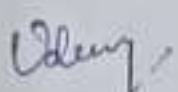

Students will be guided in abstract preparation, research paper writing, and presentation skills.

A record of student participation in conferences will be maintained by the Research Innovation Cell for academic and institutional recognition.

Vote of Thanks

The meeting concluded with a vote of thanks proposed by the **Principal**, appreciating the contributions of all committee members and encouraging their continued efforts towards strengthening research and innovation culture in the institution.
