Progress Report on Student Support, Career Guidance and Placement Cell

The Student Support, Career Guidance and Placement Cell of the college continues to play a pivotal role in empowering students to prepare for getting best career opportunities.

The following steps were taken by the committee for the enhancement of future career options of the BAMS undergraduates and their placements.

Awareness creation among students

The need for career guidance for the Ayurveda undergraduates and various domains to look forward was highlighted among the students. Along with this, the importance of placement cell and providing industry exposure and linkages to the students was also emphasized in order to choose a desired career. The students were oriented regarding the career opportunities in various fields like pharmaceuticals, research etc.

Placement cell

It was discussed to make Placement cell functional by providing opportunities related to career on local and national level for the BAMS undergraduate students.

Conduction of Alumni meet

Active engagement and one-to-one interaction of the alumni and students was done for career guidance.

Infrastructure improvement

The student representatives and Parent teacher association representatives of the cell presented the specific requirement of students like internet access and books related to career options.
