AYURVEDIC MEDICAL COLLEGE & HOSPITAL

ACHIEVEMENT REPORT STUDENT COUNCIL COMMITTEE

The Student Council Committee of Mahaveer Ayurvedic Medical College & Hospital, Meerut has actively contributed towards promoting student welfare, leadership development, academic enrichment, and campus engagement during the academic session 2024–25. The council worked in coordination with the college administration to address student concerns, organize developmental activities, and strengthen communication between students and institutional authorities.

The committee remained committed to fostering a positive academic environment and encouraging student participation in institutional activities.

1. MAJOR ACHIEVEMENTS OF THE STUDENT COUNCIL COMMITTEE

- Promotion of student leadership and participation through active involvement in academic, cultural, and institutional activities.
- Successful organization of cultural events, sports competitions, community service initiatives, and academic workshops.
- Strengthened student grievance redressal by effectively communicating concerns related to academics, hostel facilities, campus amenities, and canteen.
- Contributed to improvements in campus welfare measures including canteen hygiene, hostel maintenance, and basic facilities such as water dispensers.
- Supported orientation and awareness initiatives for newly admitted students for smooth academic and institutional integration.
- Enhanced coordination and communication between students and administration, creating a cooperative and student-friendly environment.

2. OUTCOME AND IMPACT

- Improved student participation in institutional activities.
- Better communication between students and administration.
- Enhanced awareness regarding student welfare and responsibilities.
- Promotion of a healthy academic and extracurricular environment within the institution.

3. CONCLUSION

The Student Council Committee of Mahaveer Ayurvedic Medical College & Hospital, Meerut played a significant role in supporting institutional development and student welfare during the academic session 2024–25. Through active participation, constructive suggestions, and coordinated efforts, the committee contributed towards maintaining a positive and progressive campus environment.
